

## An Amazing Day for Superstars!

Each year, dozens upon dozens of amazing children from St. Louis and surrounding counties are nominated by their teachers, therapists, family and friends.

Our nomination committee narrows the list to select an extraordinary few for this once-in-a-lifetime experience.

The Superstars and families begin the day with professional hair, makeup and nail services. They are treated to lunch and entertainment, and then change into their gowns and tuxedos to ride in the police-escorted caravan of limousines.

This year we are returning to River City Hotel and the Red Carpet will be where the children will be greeted by a croud of “paparazzi” photographers and hundreds of adoring fans waiting to get autographs and photos with the Superstars.

Once in the ballroom a fabulous dinner will be served and an awards ceremony takes place to honor the achievements and inspiring stories of each fantastic Superstar.

The celebration continues the evening with silent auctions, plenty of smiles and a post party.

We invite you to join us in our mission to provide memorable days like this for special families like these.

Night of Superstars: celebrating positive attitudes and perseverance in true Superstar fashion!

Night of Superstars is a red carpet charity event held each year to recognize kids affected by varying types of disabling conditions. These children reach beyond their adversities, excelling in academics, athletics and community service. Our mission is to celebrate these SUPERSTARS for their accomplishments, and encourage them to continue on a path of excellence!
