### *Night of Superstars*

**Night of Superstars** is formatted much like "Night at the Oscars" but 30 of the most amazing kids in the St. Louis, St. Francois, Jefferson and surrounding counties are the honored celebrities. The day of the event, they get pampered at a salon, dressed in formal attire, then driven by limo to the Centene Center in Farmington, MO. Once they arrive, they are escorted down the red carpet by guest celebrities from the TV/Film, Radio/Music and Sports industries, while you and hundreds of other guests cheer them on, asking for the kids' autographs and pictures! Several TV stations and local publications are on site to interview the kids and our guests.

Following the red carpet event is an awards ceremony where each of our Superstars is recognized for his or her accomplishments and receives an award. Following the event is our Celebrity / Sponsor Post Party & concert featuring Nashville Recording Artist, **JASON ASHLEY!** YOU DO NOT WANT TO MISS THIS!!
